

# **YEAR 2003**

## **NOTICE OF CONTINUING EDUCATION**

### **INSTRUCTION PAGE**

This year the Building Code Compliance Office in cooperation with Miami-Dade Community College is pleased to present sixteen hours of continuing education. Eight hours of training is applicable to everyone. Additionally, eight hours of trade specific continuing education will also be provided. In this way, everyone will have the opportunity to satisfy all of the sixteen hours of continuing education necessary for Board of Rules and Appeals annual recertification.

#### **INSTRUCTIONS FOR CHOOSING THE CORRECT SESSIONS AND MODULES.**

##### **All Personnel**

Eight hours of continuing education is intended for all certified personnel and is contained in Module E. The dates for this training are April 3, 2003, May 12, 2003 or August 14, 2003. It is important that everyone attend one of these sessions. Check only one of the dates in the appropriate "Check Box". (Sessions I, III, or V, Module E)

##### **Building/Structural, Plumbing, Mechanical and Electrical**

Eight hours of continuing education will be provided for personnel in the fields of Building/Structural, Plumbing, Mechanical and Electrical. The dates for these training courses are April 2, 2003, May 13, 2003 or August 13, 2003. It is important that you attend one of these training sessions in the Module for your particular field. Check only one of the dates in the appropriate "Check Box". (Sessions I, III, or V, Module A, B, C, or D)

**Note: Module A on April 2, 2003, only, is restricted to 50 attendees. No attendance restriction applies to Module A on May 13 or August 13, 2003.**

##### **Roofing**

Eight hours of continuing education will be provided for roofing personnel. It is important to note that only two roofing sessions will be given, May 7, 2003 or August 6, 2003. It is important that all roofing personnel attend one of these training sessions. Check one of the dates in the appropriate "Check Box". (Sessions II or IV, Module F)

**In order to ensure your registration, please return page one and two, to the Building Code Compliance Office (BCCO) no later than the date shown in the "Registration Form" box on page two, for the Session selected. Verify that all information that is required is correctly filled in prior to returning the form to BCCO. Refer to the map on page four for class locations.**

The Building Code Compliance Office is confident that you will find these training seminars informative and well presented. Any comments or suggestions for improving future training seminars are welcome.

**If you have any questions or comments concerning the 2003 continuing education seminars or future seminars, please contact Mr. Michael L. Goolsby, RRC at (305) 375-4496.**
